The City of Refuge is celebrating 25 years of providing transitional housing for women and their children coming out of crisis in Atlanta. City of Refuge brings Life, Hope and Transformation as they strive to bring about lasting change in the lives of the children and people they serve and prepare them for a future with help and success. Our Linda Gross Scholarship Fund awards scholarship to disadvantaged children in Georgia, are need based, and provide up to four years of scholarships to each recipient. We have dedicated members who mentor each student throughout their 4-year college career.

HOW MUCH DOES IT COST?

The lack of opportunities for students in Atlanta's Westside is profound. The 30314 zip code has the highest school dropout rate in the city, and three out of four schools in the area are graded as chronically failing. Many students are academically three to four levels below grade level.

Here are some examples of the areas of need at City of Refuge that your funds can help with:

City School Year

\$12,000

\$12,000 funds a full year of school for a City School student.

City Preschool Year

\$ 5,000

\$5,000 funds a full year scholarship for a preschool student.

Summer Camp Program

\$ 3,500

\$3,000 funds a student's scholarship in the summer camp program.

After School Programming

\$ 2,500

\$2,500 funds a semester of after-school programming for one student

Class Field Trip

\$ 1,000

\$1,000 funds a field trip for an entire classroom.

After School Transportation

\$ 500

\$500 funds transportation for children from the community to the after school program

Books & School Supplies

\$ 150

\$150 funds books and critical school supplies for one student.

This isn't just an investment in education. It's an investment in the children of this Atlanta.

With your support, we can empower them to become the future leaders of this community. That's an investment worth making.

WHY YOUR SUPPORT MATTERS

For the 2023-24 fundraising year, our beneficiary is **City of Refuge** in Atlanta, Georgia.

- City of Refuge is celebrating 26 years of providing transitional housing for women & their children coming out of crisis in one of the most crime ridden zip codes in Atlanta.
- City of Refuge also provides daycare, preschool, after school programs, psychological & therapeutic services, plus medical care & on-site school, all under one roof.
- City of Refuge's comprehensive approach helps to break the cycle of poverty, homelessness, and abuse that are too common in historically marginalized and economically disadvantaged communities.

ACADEMIC SCHOLARSHIPS

In addition to our primary beneficiary, The Circle also funds scholarships for students in need via the **Linda Gross Memorial Scholarship Fund**.

- On average we help to financially support eight scholarship students each year.
- Our Circle Scholars demonstrate academic promise and financial need.
- Scholars include former foster kids or children who have participated in programs offered by current or past beneficiaries.
- Members of our scholarship committee stay in touch with each scholar to offer encouragement and promote continued academic success.

Devereux Behavioral Health, a previous beneficiary, has used our donations to renovate living areas to bring comfort, warmth, color, and security to the residents' environment that they often have not experienced before. Donations have also transformed a run down space into an updated Salon. We also assisted with funds to transform a sports field, including adding dugouts, backstop and equipment storage providing more athletic opportunities to the children. As one Devereux employee described it, "starting with mud and now having a facility comparable to the nearby private school."
